Phone		Fax	
Mobile		Email	

Rates and charges effective April 2023

Small business customers* are charged 5.4165 cents per megajoule, plus a daily charge of 154.47 cents (GST inclusive).

A full list of service charges is provided in the Aurora Energy Gas rates and charges brochure. Aurora Energy reserves the right to vary the rates and charges at any time. Notification of variation will be published in Tasmania's three daily newspapers.

*Small business customers are commercial businesses using less than 1,000 GJs (or 1,000,000 MJs) of gas per annum. If your business uses more than 1,000 GJs of gas please contact Aurora to discuss your pricing options.

Acknowledgement and agreement

I/We have the authority to make this request. I/We confirm that I am/we are the owner of the property detailed in the supply address, or I/we have obtained the explicit permission of the owner of the property to make this request, and I/we confirm that these details are correct. I/We agree to abide by associated Tasmanian Law and I/we consent to Aurora Energy providing my/our contact details to Tas Gas Networks, who may contact me/us directly. I/We acknowledge that I/we have received a copy of the **Aurora Energy Gas Sale Agreement** (Gas Agreement) and Gas Customer Charter and have read and understood the terms and conditions contained in the Gas Agreement and hereby agree, without limitation or qualification, to be legally bound by, and to comply with, the terms and conditions set out in the Gas Agreement.

☐ I/We have checked that all details on this form are complete and correct

☐ I/We have read and accept the terms of this application
