\*\* A wasted visit fee may apply if we are unable to access your premises or should work be unable to be completed on your meter. This fee varies as it is determined by the distance of your premises to the Licenced Post Office locations of either Hobart, Launceston or Burnie.

If a government, regulator or network distributor varies or introduces a fee, charge or tax, Aurora Energy may pass through all or part of this varied or new fee, charge or tax to you. The charges for network-related services may include our reasonable costs for arranging such services.

\*Seasons align with Australian Eastern Daylight Time (daylight saving).

Emergency credit as at 21 July 2018 is \$18.00.

Life support customers are not eligible for APAYG.

The network distributor must be able to access your APAYG meter quarterly to take a read, exactly the same way as a standard meter.
